#### Minimum:

**OS:** Windows 7+

**Memory:** 1 GB RAM

**Storage:** 250 MB available space

#### Addition

English

you versus 27 elves

The game is hilarious, the puzzles/fights are varied and ridiculous. I still have no idea what happened with phase shift elf. I've put a recommend for now, however I have experienced several freezes, where the game just refuses to progress. One was right

---

in the middle of an infuriatingly long fight. Still, it's cheap and fun, and worth trying out.
